2011 "Change for Life" Baby Bottle Campaign

We are once again preparing for our 2011 annual baby bottle drive. As a 501-c3 non-profit organization, **we truly value your support.** Please know that as your congregation fills bottles with bills and change, they are helping us make a difference in the lives of mothers and their unborn babies. Look for our bottles during one of the following phases and thank you in advance for your support!

Winter Phase: Sanctity of Human Life Sunday, January 23 – February 27, 2011

Or

Spring Phase: April 10– Mother’s Day, May 8, 2011.

Ways to Help... *Give a gift and support the Center at the same time! We have at the office Tops cards in increments of \$25, \$50, and \$100. Tops makes a donation of 5% to the Center for every card that is sold! *We are collecting old cell phones, video games, inkjet or laser cartridges, PDAs, DVDs, any other digital device..we turn them into cash for the Center!
*Shopping for Christmas? Go to our personal shopping web portal: www.marketamerica.com/lockportcarenet. A percentage of the sales go back to the Center, depending on the vendor. Check it out!

WELCOME NEW PEER COUNSELORS!

We would like to welcome Sue Geis, Amy Rockwood and Brittney Perillo to our “family” of peer counselors. As our client numbers continue to climb, so does the need for more dedicated Peer Counselors! We are grateful for everyone that God calls to be here. If you, or anyone you know, may be interested in joining us, our next 18 hour **Peer Counseling training** will be held at the Center **February 2nd, 5th, 9th and 12th, 2011.** Please call the Center, 434-1771, for more information. We will send you the necessary paperwork that needs to be filled out prior to the training.

A Message from Our Director...

"He shall be called great, and shall be called the Son of the Highest." Luke 1:32

During this time of the year we reflect on all the gifts we have been blessed with throughout the year. My grandchildren are the first that come to my mind. I am especially grateful for the birth of my new granddaughter. Thank you for all who have prayed for this miracle, as well as all of the other miracles that we have been privileged to witness this year at the Center. Life has not been easy recently. Many people have experienced difficult emotional and physical hardships. The current economic state has increased our new client visits by over 50% and because of you we have been able to meet the needs of almost everyone who has walked through our doors. With the steady increase in client visits we will have to make some changes in 2011. We plan on changing client hours and therefore desperately need more peer counselors. We also are trying to better accommodate our clients by providing one on one peer counseling with hearing impaired clients. Please phone our office to arrange for an appointment with one of our counselors trained in signing for the hearing impaired. This will be just one of many changes to expect in the new year. I would like to personally thank each and every one who have supported us this year, either monetarily, spiritually or physically. Your gift is not only appreciated-it is changing lives and saving them in the process. May God bless you and your family during this Holiday Season.

Love & prayers, Cindy

Thank you to Sydney (pictured below) for the donation of your favorite toys to be given to our client's children.
